

Welch Allyn Partners in CareSM Comprehensive Partnership Program Connex[®] Spot Monitor

A support services program designed specifically for your busy medical practice

Let Welch Allyn eliminate the worry of interruptions or unexpected costs caused by equipment that is out for repairs or maintenance. Partners in Care delivers the right mix of services to help minimize equipment downtime and have devices back into the hands of your caregivers when and where they need them.

With the Welch Allyn Comprehensive Partnership Program, you will receive:

- **Repair Parts and Labor**—All included in your agreement
- **Expedited Service Turnaround**—Priority factory service to get you back up and running as quickly as possible
- **Accessory Protection**—Major accessories eligible for replacement if damaged or broken—one per year, per device
- **Loaner Coverage**—A device of like functionality expedited to you, enabling continued patient care while your unit is out for service
- **Factory Calibration Service (optional)**—Certification that your device is performing to manufacturer’s specifications
- **Free Shipping**—All costs associated with shipping the product will be covered
- **Remote Technical Support**—Troubleshoot issues, download updates and more using our trained technical staff and the Welch Allyn Service Tool
