

Welch Allyn Partners in CareSM Biomed Partnership Program Connex[®] Spot Monitor

A program built to empower biomed with the training, repair parts and support resources needed to keep devices in house and in service.

The Welch Allyn Biomed Partnership Program is designed to maximize your ability to perform high-quality service, repair and calibration quickly and cost effectively—to help you ensure every device is functioning safely and reliably while reinforcing your facility’s investment.

With the Welch Allyn Biomed Partnership Program, you will receive:

- **OEM Replacement Parts and Service Kits**—Delivered at no cost, and expedited to your facility for fast, factory-grade repairs
- **Comprehensive Accessory Protection**—Major accessories eligible for replacement if damaged or broken—one per year, per device
- **Coverage of Accidental Damage**—Factory repair or service parts for devices damaged during fast-paced everyday use
- **Credits for Online Technical Service Training**—Each Welch Allyn device covered in your site’s program earns credit redeemable toward Certified Technical Service Training. Ten credits earns one free online training course.
- **Priority Response Time**—Service calls returned by a Welch Allyn support specialist within four business hours
- **Loaner Unit Coverage**—Back-up devices provided free of charge, if and when needed, to help eliminate gaps in service during repairs
- **Software Updates**—Upon release, gain access to bug fixes and minor improvements
